Hi Ankit,

To follow up on our phone call last week, I am glad to let you know that we plan to make you an offer. As posted on the web and discussed on the phone, this is an hourly paid position at the rate of \$12/hour. We expect you to work 15-20 hours per week. You are required to participate in a weekly meeting here at Mayo Clinic. You will need to report working hours online and to comply with other ASU requirements. Please let me know if you accept this tentative offer. If so, we will move to the next step for official paperwork.

Feel free to let me know if you have any questions here. Thanks.
